MIDTOWN LIQUOR STORE

Midtown Liquor Store, operated by Pete Scocca, boasts the distinction of being the only exclusive store for liquors in the city.

Having opened for business three months ago, the store is located at 7144 Mission street, and maintains an extensive variety of fine brands of beverages. With this large stock, Scocca offers to patrons a number of special bargains for the holiday season, with Christmas gifts featured.

Midtown Liquor Store especially features a stock of many kinds of imported wines and other beverages.

Profits in Modernization

More than 1,000 grocery store owners, members of the Independent Grocers' alliance, recently studied a survey on increased profits resulting from storefront modernization with structural glass. It was revealed that average profits increased 20 per cent the first year after modernization and that the average gross receipts rose from $21,050 to $22,628.

Wine Superior

For the past seven years Austria-Hungary has been the world's largest wine exporter.

Bowling Alleys Announce Merchandise Orders

Starting next Monday Daly City Bowling alleys will give away free once a week a merchandise order good at local stores.

Every person who bowls will register and at the end of each week a drawing will be held to determine the lucky winner. Next week The Record will publish a complete list of the stores where the merchandise orders can be cashed.

"Bowl at 6287 Mission street and register—you may be a lucky merchandise order winner," invites the management of the Daily City Bowling alleys.

Drama on the Stairs

Anticipating a scene, Charles Foster Kane (Orson Welles) and his wife (Ruth Warrick) call on the other woman (Dorothy Comingore) who awaits them calmly at the top of the stairs. From RKO Radio's current dramatic sensation, "Citizen Kane," which marks the rousing screen debut of Orson Welles. Produced and directed by Welles himself, the picture includes in its flawless cast many of the members of the famous Mercury Actors of New York. It is now playing at the Daly City theatre.

Not Religious

It has been estimated that only about 5 per cent of London's population concerns itself with church going.

Dixie Named

A New Orleans bank was responsible for the popular term "Dixie," applied to the land below the Mason-Dixon line, Henry E. Elrod, Houston engineer and numismatician, said the Citizens bank of New Orleans was the originator, through its 10 piastre notes. The notes were issued in 1859, printed half in French and half in English. On the face of the note was the word "Ten" and its corresponding French word, "Dix." Southerners called the bills "Dixie." In those days, states issued their own money and much of it was almost worthless. The New Orleans bank was in prosperous condition, however, and the bills spread over the southland, which gradually became known as the land of the "Dixies," and finally, Dixieland.

No Log Cabins

Although most American illustrations picture them in log cabins, the late Harold R. Shurtleff, in the Log Cabin Myth, published by Harvard University Press, states that there were no log cabins in early New England or Virginia. They built frame houses.

Wrong Training

Colleges continue to train students for jobs that no longer exist, Chester G. Moore, chairman of the board of the Central Motor Freight association, recently told a conference at the University of Illinois. And all the time, he said, jobs as salesmanager, accountants, office managers, solicitors, traffic managers, and tariff experts—in the trucking industry, are going begging.

Pays Debt

L. B. Evans, a farmer of Alberta, Canada., pays his debts even if they are 31 years old. He sent a check for $20 to the city of Los Angeles for his hospital bill in 1910, at the past house. The city wrote back that the treatments were free, but Evans refused to take back the money.

Indian Custom

During funeral ceremonies among the Indians of Ecuador, a widow sings the names of all the foods liked by her departed husband while he was alive.

60 Per Cent

Passengers now account for 60 per cent of the income of the air lines of the United States.

Diversified Ownership

One of the largest American oil producing companies supplies 11,000 retail outlets, yet it owns and operates but six of these filling stations, Axtell J. Byles, president of the American Petroleum Institute, reports.

Travel Pleasantry

Nearly 12,000 of the passenger cars on American railroads are now air-conditioned, the Association of American Railroads reports.

Greek Training Table

Candidates for athletic games in ancient Greece lived on new cheese, dried figs, boiled grain with warm water and no meat.

MAKE SURE YOUR CAR IS SAFE!

- MOTOR. A simple check-up costs very little and can save you plenty later on!
- LIGHTS. Damp weather affects faulty wiring easily. Have lights and wiring checked now!
- TIRES. Good brakes won't stop your car on wet roads. Better check the tread on your tires!

A breakdown miles from nowhere isn't a pleasant experience. But a lot of motorists are in for just such trouble because they failed to check their cars. Don't you be one of them!

Chocolate Oatmeal Cookies

1 cup all-purpose flour	½ teaspoon salt
½ cup cocoa*	1 cup rolled oats, quick cooking
1 teaspoon baking powder	½ cup soft butter or other shortening
1 teaspoon cinnamon	1 cup sugar
1 teaspoon nutmeg	2 well-beaten eggs
	½ cup Pet Milk

Turn on oven and set at moderately slow (350° F.). Sift flour before measuring. Resift with cocoa, baking powder, cinnamon, nutmeg and salt. Fold rolled oats into flour mixture. Fit soft butter in bowl. Add sugar gradually, mixing until light and fluffy after each addition. Beat in eggs vigorously. Add flour mixture alternately with milk. Begin and end with flour mixture, beating until smooth after each addition. Drop from teaspoon onto greased baking sheet, leaving 2-inch space between cookies to allow for spreading. Bake on oven shelf slightly above center for 12 minutes, or until cookies are brown. Makes about 3 dozen.

*To Substitute Unsweetened Chocolate for Cocoa: Melt 2 squares unsweetened chocolate over boiling water. Add to shortening and sugar mixture after egg has been beaten in, then proceed as directed for cocoa.
